Before You Leave:

- Unplug electrical appliances such as computers, microwaves, & televisions
- Back up important personal devices (computers, cell phone data, etc)
- Arrange for pet and plant care while you’re away
- Stop routine deliveries (such as newspaper and mail)
- Make your home appear occupied by putting lights and a radio on timers
- Lock windows, garage, and doors securely
- Tell neighbors you're away and how to reach you in case of an emergency
- Pour bleach down toilet drains to prevent creepy crawlers from moving in!
- Close blinds and curtains
- Remove perishables from refrigerator
- Empty all garbage baskets
- Wash the dishes and run the garbage disposal (to prevent unpleasant odors)
- Ensure luggage tags are securely attached to all luggage, including carry-on items
- Inform credit card companies of your travel
